2025-2026 School Year
Guidance Notes

Aim

To assist our students in need of financial assistance to complete the foundation programmes in school for further studies or work in the future.

Sources of Fundings

1. No less than 10% of the total school fee income in each school year
2. Donations from the China Congregational Church

Eligibility Criteria

1. Applicant must be the parent or guardian of our registered student.

Assessment Processes

Note: Students must pay the school fees before the release of the application results.

1. All applications will be assessed by the Student Aid & Scholarship Committee (The Committee).
2. In general, the “Adjusted Family Income” (AFI) mechanism will be used as the mean test to assess the eligibility of a family for student financial assistance and its assistance level.

For individual cases, interviews or home visits will be arranged.

The Committee will reserve the right of final decision if the number of applicants exceeds the funding budget.

In general, the results of assessments are as follows:

Item	Family Assistance Level/Application Result	Level of Assistance
1	Comprehensive Social Security Assistance (CSSA) Family	100% of School Fee
2	FULL	60% of School Fee
3	HALF	30% of School Fee

Assessment Method

1. Successful applicants will receive financial assistance to pay part of or full school fees. Costs of buying textbooks, taking part in extra-curricular activities and miscellaneous school-related expenses will not be covered. The eligibility and the level of assistance will be determined by the AFI mechanism.
2. The AFI mechanism is based on the following formula:

$$\text{AFI} = \frac{\text{Gross annual income of the family}}{\text{Number of family members} + (1)}$$

**For single-parent families of 2 to 3 members, the “plus 1 factor” in the divisor of AFI formula will be increased to 2.

3. Gross annual income of the family includes the annual income of applicant and his/her spouse; 30% of the annual income of unmarried child/children residing with the family if applicable; and the contribution from relatives/friends if applicable. See Appendix 1.
4. The members of a family normally refer to the applicant, his/her spouse, unmarried child/children residing with the family and the dependent parent(s) who are supported by the applicant and/or his/her spouse.
5. The AFI eligibility benchmarks for various levels of assistance in the 2025/26 school year are listed in the table below. Please note that the AFI is not the average monthly income of a family;

AFI Groups (HK\$)	Level of Assistance
0 – 45,429	FULL*
45,430 – 87,846	HALF
>87,846	Ineligible (applications not successful)

*AFI thresholds for full level of assistance for 3-member and 4-member families are \$54,999 and \$50,600 respectively in the 2025/26 school year. For 2-member single-parent families and 3-member single-parent families, they are regarded as 3-member families and 4-member families respectively for determining the AFI thresholds for full level of assistance and calculation of AFI.

6. The assessment is based on the information provided in the application form at the time of submission. No adjustments will be made to the amount of assistance afterwards in that school year.
7. The school reserves the right of final decision in all disputes on the assessment and amount of subsidies under this Financial Assistance Scheme.
8. If the application is successful, the paid school fee will be refunded to the applicant by cheque. The cheque should be collected from the School Office within 90 days from the date of issue. After the due date, the school reserves the right to withdraw the refund.
9. The school reserves the right to suspend the assistance if the student-applicant does not fulfil the attendance requirement.
